

Gary Stottler and his family have lived in Honeoye Falls since 2000 and he has served on the Honeoye Falls – Lima Central School District's Board of Education since 2007.

Stottler is a mechanical engineer who recently retired after 36 years from General Motors and now does consulting in the hydrogen energy field. During his time on the Board, Stottler has served as Board President and Vice President as well as serving on the Audit Committee with a focus on District finances and serving on the District Safety Committee. He is also an HF-L representative to the Monroe County School Boards Association Labor Relations Committee and has represented HF-L as a voting delegate to the New York State School Boards Association annual business meeting. Stottler volunteers as a coach and mentor for FIRST Robotics Team 2228 – CougarTech and very much enjoys that opportunity to work directly with students and have a role in STEAM education and leadership development in the District.

He has two sons, and his youngest graduated from HF-L in 2014.
